

Flying the New New York Skyline and Flying into the Washington DC Area

At this exclusive event Marc Catanese will share what you need to do to fly through the NY SFRA and the NY skyline route. Following this John Sulyma will talk about the rules for flying within 60 nautical miles of Washington DC, the DC SFRA and getting privileges to enter the ADIZ to land at the Maryland three airports. Learn from experienced pilots. Come and ask questions. Click the link below and Register TODAY as space is limited.

Directions: From the North: Take Rt. 295 South to Exit 9A to Rt 146 South. Turn on Rt 116 South. Merge to W. Greenville Rd. Left on Albion Rd.

From the South: Take Rt 295 North and follow directions from above. For easy free parking please the old main terminal building lot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
